

Dear AWANA Volunteer,

Thank you for taking time to invest in the lives of today's young people. While AWANA focuses on learning God's Word through book study, there is just as much that can be learned about living a godly life through the example of God's servants. With that understanding please set the example by being in uniform and in place to serve by 5:15pm each night of AWANA. If you are not sure where you are working you can find that information below.

Thank you again for your faithful service

Brian Woollet  
AWANA Commander
