Mission Statement

Our mission is to extend the ministry of and help accomplish the purpose of West Orlando Baptist Church. Our mission is to provide every child a caring and safe learning experience. This will be done by providing care, education, and development for each child enrolled to his/her greatest potential, and by providing developmentally appropriate activities and guidance. It is our desire to provide a safe and secure service in a Christian environment and to provide Christian educational experiences that will meet a child's developmental needs socially, spiritually, physically, intellectually and emotionally through a professional curriculum. We are concerned about the total child and how he/she relates to the people and

world around them. We want to enhance their spiritual, emotional, physical and social growth.
